

# WRITING ASSESSMENT

G 3

Write your final composition here.

The use backpack started to move I got  
shock I saw the candy in side the  
backpack.

I see the boys and girls side the mall  
I like the CLASSRULES Because it is  
fun The little boys is play in water  
I like to eat children at home.  
The weather will change TOMORROW.

Score Point: 1

This response reflects fundamental deficiencies in narrative writing skills. The writer begins by responding to the prompt (I saw the candy inside the backpack) but soon loses focus. The remainder of the response consists of unrelated, random sentences. No ideas are developed. Serious and persistent writing errors are evident.
